Hello, Kyle,

The sentencing hearing for Aaron Rochester is scheduled for November 8, 2021. However, I do believe that AUSA Wehde is not planning to call a witness of behalf of WM. I will let you know if anything changes.

Thanks,

Good morning,

AUSA Shawn Wehde indicated to me that he is willing to view the CBI costs of cleanup under seal. At this time, we do not have a sentencing date yet, so it would be difficult to estimate when we would begin witness prep. Thanks to WM for agreeing to provide [Ex. 6 PP / Ex. 7(C)] as a witness. I will let you know as soon as I hear more.

Thanks, [Ex. 6 PP / Ex. 7(C)]

Have you heard anything regarding the CBI question or timing for witness prep?
Thanks.

I have discussed this with my client, Waste Management. WM definitely wants to cooperate with EPA, but would like to find a way to retain the confidentiality of the CBI that was previously submitted. Perhaps it can be viewed under seal. Maybe you've made some progress with EPA counsel in that regard.

In addition, WM has agreed to provide a witness, as requested. It will be

Ex. 6 PP / Ex. 7(C)

Ex. 6 PP / Ex. 7(C) was involved with all aspects of the remediation.

Finally, with regard to insurance coverage (by Cincinnati Insurance or any other provider) – there was no coverage of the remediation, no reimbursement. WM paid all remediation costs.

I will be out next week, but will certainly assist, as needed.

Kyle
